GREATEST MEDICINE ON EARTH

A prominent citizen of Evansville, Ind., writes:—"I was ill for five months with a pulmonary trouble, and had the best of doctors. I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

We want every one in this vicinity who is troubled with chronic colds, coughs, or pulmonary troubles, to come and get a bottle of Vinol. If it does not go to the seat of trouble, heal the inflammation and stop the cough, we will cheerfully return every cent paid us for it. This shows our faith, and proves that you take no chances.

NEWARK THEATRES

PROCTOR'S THEATRE.
That psychic marvel of the present day, Eva Fay, otherwise known as the high priestess of mysticism and the apostle of the occult, will demonstrate her powers of penetrating the unknown during a brief engagement at Proctor's Park Place Theatre during the week of April 1st. She will appear as the headliner on a bill of extraordinary excellence.

Conspicuous among the list of entertainers is Miss Willa Holt Wakefield. Others on the bill will include Gerald Griffin and company in a tabloid comedy, entitled "Other People's Money"; the Primrose Four, Charles Wilson and Adelaide Wilson, the Boy and the Violin, La Belle Onra, one of the best known trapeze artists on the vaudeville circuit, and the latest photo plays. During Easter week the management of Proctor's Theatre has secured, by special arrangement, Nora Bayes and Jack Norworth and their "Musical Surprise Party" in a little bit of everything pertaining to musical comedy, burlesque, legerdemain and the varieties.

GAYETY THEATRE.

Interest in the Harry Hastings Big Show, which comes to the Gayety commencing Monday matinee, never lags for a moment, has been proven by the big audiences attending in every city where the company has appeared this season. In the opening skit, "An Ocean Joy Ride," the music is of that catchy kind. Most conspicuous in the support of Mr. Hastings this year is Viola Sheldon, better known as "The California Nightingale." Mr. Hastings has culled from the front ranks in the entertainment field to support him such favorites as Tom Coyne, the funny Irish comedian; Seymour, Schenck and Seymour (the eccentric trio); Bohannon and Corey, with their pictorial novelty, "Fighting the Flames"; Hill, Cherry and Hill, the bicycle wonders; Barney Toyo, the funny German comedian; Mona Raymond, a dashing and dainty little soubrette; the Dancing Kleins and the Singing Four, which includes Froide Ackerman, West and Ansor and Edna Hyland. A menu such as this has started Mr. Hastings on the high road to success again this season with his friends and admirers in the amusement line. Amateur night Friday, April 8, "Billy W. Watson and Girls from Happyland."

MINER'S THEATRE.
Heading the list at Miner's Empire Theatre, Newark, for the week beginning April 1st is Miss Margaret Flavin, one of the best known prima donnas of the legitimate stage, who has met with great success in the brief time she has been in burlesque. Other principals include Chester Nelson, Miss Elsie Clayton, Felix Rush and John Burton. There will be the customary daily matinees during the local engagement of "Miner's Americans." Khodah, the famous Egyptian magician, will introduce his marvellous feats at each performance. As a special feature the company is carrying "Blake's Comedy Circus," including the funny trick-mule Maud, which insures many an extra laugh.

Easter at Asbury Park.

Great preparations have been made at Asbury Park for its Easter season. Pryor's Band, which plays in Chicago this summer, has been engaged to give concerts twice daily at the Boardwalk Casino, beginning next Saturday and ending April 7. The special soloists will be Miss Virginia Root of Pittsburgh, and Miss Cavanagh of Asbury Park, sopranos, and Miss Dorothy Hoyle, violinist. Asbury Park's new boardwalk was opened last week, after being reconstructed upon a cement foundation. The entire business section will be specially illuminated and the beach front will be as it is in summer, including salt-water bathing in the boardwalk pool. About fifty hotels and boarding houses will be open for the entertainment of visitors. Nearly a million dollars has been spent in hotel improvements since last summer and extensive improvements are still under way.

High School Athletics.

The class of 1913 basketball team won the inter-class championship by defeating the sophomore team recently by the score of 21-5. The junior class team went through the season without losing a game. The team was captained by Douglas H. Bleeker. The other members of the team are Spencer C. Hamilton, Jr., Vivian H. Cady, Jerome M. Harris, Clifford F. Baker and Harold W. Betts. This has been the second time that the 1913 team has won the championship. The standing of the team is as follows:

Team	W.	L.	Pct.
1913	4	0	100
1912	1	3	.250
1915	1	3	.250
1912	0	4	.000

The High School Glee Club and Orchestra are making arrangements for their third annual concert to be held at Center School, April 19. Many interesting and novel features of entertainment will be offered by the committee in charge. Douglas Bleeker, the president of the club, and Prof. P. J. Smith expect that this year's reception will outclass all other preceding ones.

The Walking Club will take a walk this spring vacation. The destination will probably be Swartwood Lake, where Kamp Kiamesha is situated.

Last Friday the girls' basketball second team defeated the Montclair High School second team by the score of 16-11. The local girls have the honor of being the first ones who defeated the Montclair girls. Miss McDonald and Miss Olinger played exceedingly well for Bloomfield, while Miss White was the star on Montclair's team.

There is quite some agitation among the girls about forming a baseball team. There are several girls in the school who play ball as good as some of the boys, and with these forming a nucleus, a team could easily be organized. Some of the girls who are interested in the movement are Bertha K. Allan, Phoebe Heckel, Marion G. Stone, Estelle Harrison, Eda Barton and Helen Baldwin. The boys' baseball team is making rapid progress. The most likable candidates for pitcher are M. Olinger '14, who was last year's twirler, and S. Hamilton '13. Captain Cady will probably take care of the backstop work. Young, Clarke, Bleeker and Dale will probably be seen in the infield and Storms, Van Tassel, Moore and Thompson will presumably take care of the outfield work. At present Captain Cady is out of the game, because of an injury of his wrist which he received in a basketball game.

The Easter examinations are now taking place after which the Easter recess will extend until April 9th. The twenty-fifth anniversary alumni banquet will be held at the Hotel Martinique, New York, at 6.30, April 8th. A large attendance of the alumni, associate alumni and friends of the school is already assured.

Donald M. Walden '11 visited the school over the week-end. The after dinner speeches Friday evening were extemporaneous on the subject "What is a Nutmeg?"

Telephone and Telephone Combine

The Western Union Telegraph Company will occupy quarters in the New York Telephone Company's office at 29 Bloomfield avenue, Montclair, beginning April 14. It is announced that Mr. C. A. Woolsey, the local business representative of the New York Telephone Company, will assume full charge of the Western Union Telegraph Company's affairs in this locality.

Ample space will be set aside in the telephone office for telegraphic purposes. Telegrams may be sent by means of the Bell telephone. It is not necessary to call for a telephone number; all that is necessary to say to the telephone operator is "Telegram," and then dictate the telegram to the answering Western Union telegraph operator. This new move on the part of the Western Union and the Bell Telephone Company marks a distinct improvement in the convenience of the service to the public.

It is suggested to the public that in sending telegrams one should give the telephone address of the person to whom the telegram is directed. This aids the telegraph company in delivering the telegram at its destination by telephone, and saves time in transmission. To-day, by the use of the Bell telephone, you dictate your telegram to the telegraph operator, and the telegraph company at the terminating office in turn telephones the telegram to the addressee. The saving of time on the simplest kind of a message is probably from one-half to three-quarters of an hour, and in some cases the saving is more than double this.

Nothing else heals so quickly. For boils, ulcers, old, running or fever sores or piles it has no equal. 25 cts. at all druggists' Adv.

Christmas Savings Club

Answers to Questions We Have Been Asked About It

What is the Purpose of the Christmas Savings Club?
The purpose is to help you and others accumulate a fund for Christmas.

In What Manner Does the Christmas Savings Club Accomplish This Purpose?
By each member paying in a small sum each week for 36 weeks. Two weeks before Christmas each member will receive the total amount paid in with 3 per cent. interest.

Does Everybody Pay the Same Amount?
No. There are three classes and numbered respectively 1, 2 and 3. The payments are different in each class.

What Are the Payments in Class 1?
The payments are 1c the first week, 2c the 2nd week, 3c the 3rd week, and so on for 36 weeks, making the payment for the last week 36 cents.

Do the Payments in the Other Classes Progress the Same Way?

They do. The only difference is that in Class 2 the first payment is 2 cents the first week, 4c the 2nd week, 6c the 3rd week, and so on for 36 weeks. In Class 5 the first payment is 5 cents the 1st week, 10c the 2nd week, 15c the 3rd week, and so on for 36 weeks.

Is There a Membership Fee or is There Any Cost to Join?
No.

What Do I Do to Become a Member?
All that is necessary is to go to the Bloomfield Trust Co. Bloomfield, ask to be enrolled as a member and make the first week's payment or more.

What Will the First Payment Be?
It will be 1c, 2c or 5c, according to the class you join.

How Are the Payments to Be Made?
Weekly or in advance for as many weeks as you desire.

What Will Happen if I Cannot Keep Up My Payments or Discontinue?
You may discontinue for any reason at any time, and at the period when the club closes, you will get a check for all you have paid in, but in such a case no interest will be allowed.

When and How Can I Withdraw?
Under no circumstances will any withdrawals, either in whole or in part, be allowed. What you deposit will be held for you until two weeks before Christmas.

What Form of Receipt Do I Get When I Make Payments?
For every week paid you will receive a small receipt in coupon form, which you will keep in the envelope opened.

What Would Happen if My Coupon Receipts Were Lost, Stolen or Destroyed?
As we have a complete record of the payments of every member we will mail a check to you whether you have the receipts or not. The receipts are of value to you only for the purpose of verifying our records.

Can I Reverse the Payments?
You can and by doing so you will have your payment grow less every week and your money will earn twice as much interest.

Can I Become a Member of More Than One Class?
Yes; you can join one or all of the classes.

When Can I Join?
You can join any day next week—beginning Monday, April 1st.

Do I Have to Come to the Bank Myself to Open an Account?
No—all that is necessary is to get some one to hand in your name and pay the first week's deposit. A child can easily do all that is necessary to start an account. You can open an account for any one of your family or friends, lodges or societies and they will receive the check by mail two weeks before Christmas.

Can I Open More Than One Account?
Yes—you can open as many as you like. Surprise the members of your family with one of our Christmas checks.

It gives rise to a sluggish, lazy or torpid feeling which is the bases or warning note of the many ills so common and peculiar at this time.
